

# “Adventure word-play drawing”

## CHOICE ACTIVITY

Grade 3-9

## CREATIVITY

### OBJECTIVE:

To activate creative and imaginative thinking through writing and drawing.

### MATERIALS:

Set of cards

Paper

Crayons

Pencils

Markers

Cards should be printed in colour and then laminated.

Cut cards along the dotted line and punch a hole in the top left corner. Bind with ribbon through each hole.

### This activity is for early finishers.

### HOW TO PLAY:

Children can play this activity in groups or as individuals.

Select one card from each of the colours. They should have

one animal, clothing, accessory, activity and place card.

Children are to write a coherent sentence using all the words on the cards.

Once they have a sentence, they should

try to draw this sentence in an interesting and imaginative way.

Encourage children to be as creative as possible. It does not matter how they draw the sentence, only that they try.

### Emerging:

Pupils can pair up with a friend who can explain the rules.

### Exceeding:

Pupils should be encouraged to think outside of the box when writing their sen-

tences, and to try new mediums when drawing.
